Subject: Letter to Oregon on NOAA/EPA's Intention to Take Action on OR CZARA by January 30

Hi All,

Attached please find NOAA/EPA's letter noting our intent to take action on Oregon's Coastal Nonpoint Pollution Control Program by January 30. The addressees will receive a hard copy of the letter. Let me know if those of you who are cc'ed in the letter would like a hard copy of the letter or whether this pdf version is sufficient.

Regards,

Jayne
